Abstract: The present researchers utilized the 16 Chinese characters in Tcheonzamun (The thousand character essay) from 721⁴ character to 736⁶ character. And its title is ‘the miracle in the world’. This poem was already translated in Korean pronunciation by present researchers [1]. Therefore this is the second translation of 721st-736th poem of Tcheonzamun. This is the present condition of Augustin. If I can keep my anger from the expression, I want to call it ‘the miracle in the world’. And if I can forgive the person, I will call it the great miracle in the world. My Lord Jesus, give me, Augustin, a force to forgive other person whom I do not love, amen!

Keywords: Tcheonzamun (The thousand character essay), 721⁴ character to 736⁶ character, ‘the miracle in the world’.

INTRODUCTION
The present researchers tried to translate the Tcheonzamun (The Thousand Character Essay) [2, 3]. Dallet [4] wrote that Tcheonzamun has been utilized in teaching Chinese characters to the children on Tchin dynasty, the first unified country in China during the year of BC 200 [4]. This poem was already translated in Korean pronunciation by present researchers [1]. Therefore this is the second translation of 721st-736th poem of Tcheonzamun.

MATERIALS AND METHODS
The present researchers utilized the 16 Chinese characters in Tcheonzamun (The thousand character essay) from 721⁴ character to 736⁶ character. The researchers considered that these 16 letters composed a poem. And the poem is made of two parts; the first part is the first line, and the second part is composed of three lines; the second line, the third line and the fourth line [3]. The first part usually says the general fact, while the second part expresses the new and wider idea even including the first part.

RESULTS AND DISCUSSION
The next is considered as a poem. It is consisted of 16 letters from 721⁴ to 736⁶ characters of Tcheonzamun (The Thousand Character Essay). And its title is ‘the miracle in the world’.
